“Both clients and good causes use our truck for free.”

–Brian Schantz

introducing

8639 Victoria Road in Kings Park, Annandale, Virginia

Bogus copy this home listed for \$499,900, is under contract over the asking price (there were 3 offers, none under the asking price). It was on the market for only 8 days. Closing is scheduled for the end of March. This event will mark the first time in Kings Park history that a home has sold in the \$500,000 price range. See our half million dollar baby and its description on the backside of this postcard.

There are other buyers looking in Kings Park— if you're interested in delightful results, selling or purchasing, call Brian to get his 27+ years of award winning experience working for you today.
